The examiner is unable to consider the Information Disclosure Statement of October 6, 2009, because of failure to comply with 37 CFR 1.97 in that there is no statement as specified in 37 CFR 1.97(e). Attention is directed to MPEP 609.04(b), section III.

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee. Authorization for the changes to claims 37 and 38 in this examiner's amendment was given in a telephone interview with Paul A. Jenny on October 5, 2009.

In the specification, the first paragraph on page 1 has been replaced by the following:

The present application is a Continuation-in-Part of U.S. application 10/463,495 filed June 17, 2003, now U.S. patent no. 7,314,490, and claims the benefits of U.S. provisional patent applications No. 60/405,281 filed August 22, 2002; No. 60/424,261 filed November 6, 2002; and No. 60/453,556 filed March 11, 2003, all of which are hereby incorporated by reference.

In claim 1, line 10, a space has been inserted between "trans-tibial" and "member".

In claim 37, line 1, "1" has been replaced by --35--.

In claim 38, line 4, "chamber" has been replaced by --channel--.

The above revisions were made in order to correct minor informalities. The amendment to claim 1 was not discussed with Mr. Jenny because it is merely typographical in nature. Since

the formal matters were identified for the first time after the Applicant's reply of September 23, 2009, no extension fee under 37 CFR 1.136(a) is required (MPEP § 706.07(f), section II).

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Dave Willse, whose telephone number is 571-272-4762 and who is generally available Monday, Tuesday, and Thursday. If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Corrine McDermott, can be reached on 571-272-4754. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
